Public Service Commission of South Carolina

In Re: Interconnection Agreement Negotiated by BellSouth Telecommunications,  
Incorporated d/b/a AT&T South Carolina and Time Warner Cable  
Information Services (South Carolina), LLC Pursuant to Sections 251 and  
252 of the Telecommunications Act of 1996  
Docket No. 2005-353-C

Dear Mr. Terreni:

On May 22, 2007, BellSouth Telecommunications, Inc. d/b/a AT&T South Carolina ("AT&T") submitted for filing in the above-referenced dockets an agreement between BellSouth Telecommunications, Inc. and American Communications Services, Inc. ("ACSI"). As explained in the cover letter accompanying the filing, AT&T recently had discovered that the agreement had not been filed with the Commission.

AT&T is aware of various transactions by which certain assets of ACSI may have been transferred to other entities, including Time Warner entities. In an abundance of caution, therefore, and in an effort to provide notice of the filing to all entities that might have an interest in the agreement, AT&T filed the ACSI agreement in various dockets, including the Time Warner Cable Information Services (South Carolina) ("TWCIS") docket referenced above.

Recently, representatives of TWCIS notified AT&T that the ACSI contract was not assigned to it and indicated that, in their view, the ACSI contract should be withdrawn from the above-referenced docket.

**THIS DOCUMENT IS AN EXACT DUPLICATE OF THE E-FILED COPY SUBMITTED TO THE COMMISSION IN ACCORDANCE WITH ITS ELECTRONIC FILING INSTRUCTIONS.**

As noted above, AT&T filed the ACSI contract in these dockets to provide notice to all entities that might have an interest in the agreement. Accordingly, AT&T has no objection to the Commission's withdrawing the contract from the above referenced docket.

Sincerely,
